

## "Our Town"

J. B. WHITE

The Dallas News has been requested by Leonard M. Brin, regional director, President's Committee on Fair Employment Practice, not to ask specifically for negroes when advertising for employees. The offending advertisement appearing in the Help Wanted column under Male (Miscellaneous), and occupying one half inch of space read:

**WANTED— COLORED MAN**  
To work at night as paper handler. Essential industry.  
See MARTIN JOSCH, Pressroom, DALLAS, NEWS, after 7:00 p. m.

Brin said in part in his letter to The News: "The Committee on Fair Employment Practice, operating under Executive Order No. 9346, a copy of which is attached, considers that such advertising is in violation of the order. It limits applications to the narrow field described in the advertisement and automatically bars persons of other race or color from applying, even though these latter may also possess skills needed by your establishment."

"You are therefore requested to take immediate steps to remove from this and from any other advertisement for employees and features which are discriminatory as to race, creed, color or national origin. You are further requested to advise your personnel office or hiring agent that they should disregard such specifications when considering applicants for employment. This includes the United States Employment Service."

"The need for using all available man and woman power during wartime is great, and becoming greater. By planning along practical lines we believe that there should be no difficulty in utilizing workers on the basis of their skills, or adaptability, and we believe that you are willing and anxious to assist in the furtherance of this in the interest of the total war effort."

Brin, when called on by a Dallas News reporter in the regional office of the President's Committee on Fair Employment Practices, 1001 Mercantile Bank Building, said he had received instructions to give no newspaper interviews unless the questions and answers had been approved in Washington. He suggested that any questions in regard to the plans and policies in applying and enforcing the Executive order be submitted in writing, either to him to be forwarded to Washington, or direct to Malcolm Ross, chairman of the President's Committee on Fair Employment Practice.

Brin was told that he undoubtedly could answer the questions the reporter had in mind without referring them to Washington, and that he should be better acquainted with the local situation than would be a Washington official. Brin replied that he had definite orders concerning submitting to interviews.

The management of The News said that the want ad followed The News' long established policy of not running advertising that is discriminatory or misleading.

The News insists that all advertisements, in addition to being truthful, be specific and fully informative, the management stated. The position of The News is that if a mother wants a white girl to take care of her children that is exactly what she wants, not a negro, or if she wants a negro, that also is what she wants, and that this rule holds true in all of the categories of things wanted as advertised in the want ad columns.

The News adopted rules several years ago on personal discrimination. All employees handling advertising were told to discourage advertisers from using any wording or phraseology that might be considered discriminatory toward any sect, race or creed, and to refer to the management any such copy which the advertiser might not be willing to modify. No discrimination beyond that recognized by law and custom is involved in the usual handling of advertisements differentiating between the white and black races.

The rule book of The News says that "all employment ads should clearly indicate the nature of the work and conditions of the applicant." The News holds that not specifying white or colored for jobs that might be patently for whites or for colored

## ANDREW J. RAYMOND BURIED HERE SUNDAY

Andrew Jackson Raymond, 83, pioneer resident of Cameron, died suddenly at his home in this city at 5 p. m. Saturday, May 27, 1944. He had been in declining health for several years but was seriously ill two days before his death, his condition becoming critical on May 25th.

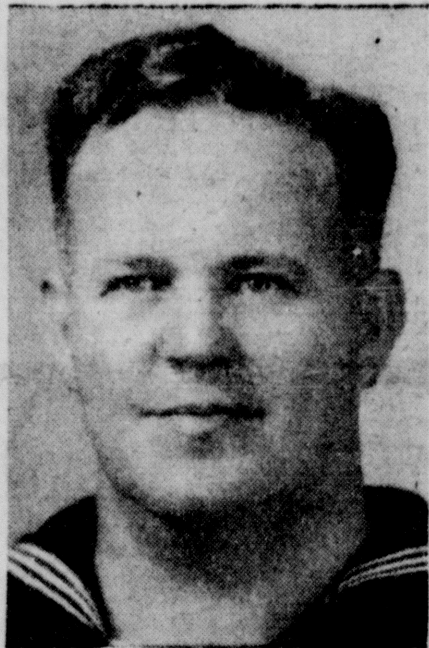

Mr. Raymond had lived in Cameron for 60 years, was a retired carpenter, with a fine record of skill in his profession and many of the homes in Cameron constructed in early days bear the stamp of his workmanship.

In his early boyhood, Mr. Raymond began his profession and when he reached maturity had attained a degree of excellence and his services were widely sought as a builder.

Andrew Jackson Raymond was born in Alton, Illinois, on January 8, 1861. Among his early impressions were the pioneer industrial development in the area. St. Louis, Mo., was then a sprawling town on the Mississippi and Kansas City and also just becoming a thriving town from commerce upon the Missouri and Mississippi. Mr. Raymond, as a small boy often visited the glass works in Alton and there knew many of the old glass blowers, heard them tell tales of even more remote and pioneer days.

As civilization pushed west in those days many men turned their eyes to (turn to page five)

## Fights In Pacific

GORDON S. BASKIN

### Machinist Mate First Class

Gordon S. Baskin, Machinist Mate First Class, United States Navy, a volunteer, has been in the Pacific for more than two years. Recently on a visit home with his mother, Mrs. Sue Baskin, he remained in his home city for several days, but reported back for duty.

Baskin, in civilian life, is a member of the Camp-Baskin Insurance Agency here. He was at one time in the army. When war came on he sought service by making application for enlistment in the navy placing himself at the disposal of the government.

While the war's end must come before he speak of the things he has seen and his experiences, it is known that Baskin has seen the war at its worst in the Pacific because he was there in the early stages of the effort to stop the Japs.

His job is in naval maintenance and no doubt he has witnessed the application of new and super methods of operating Uncle Sam's navy thousands of miles away from home bases.

Since Mr. Baskin went away to war, Emory B. Camp, the other member of the firm has gone to the navy. Mr. Camp is now in San Diego, Calif.

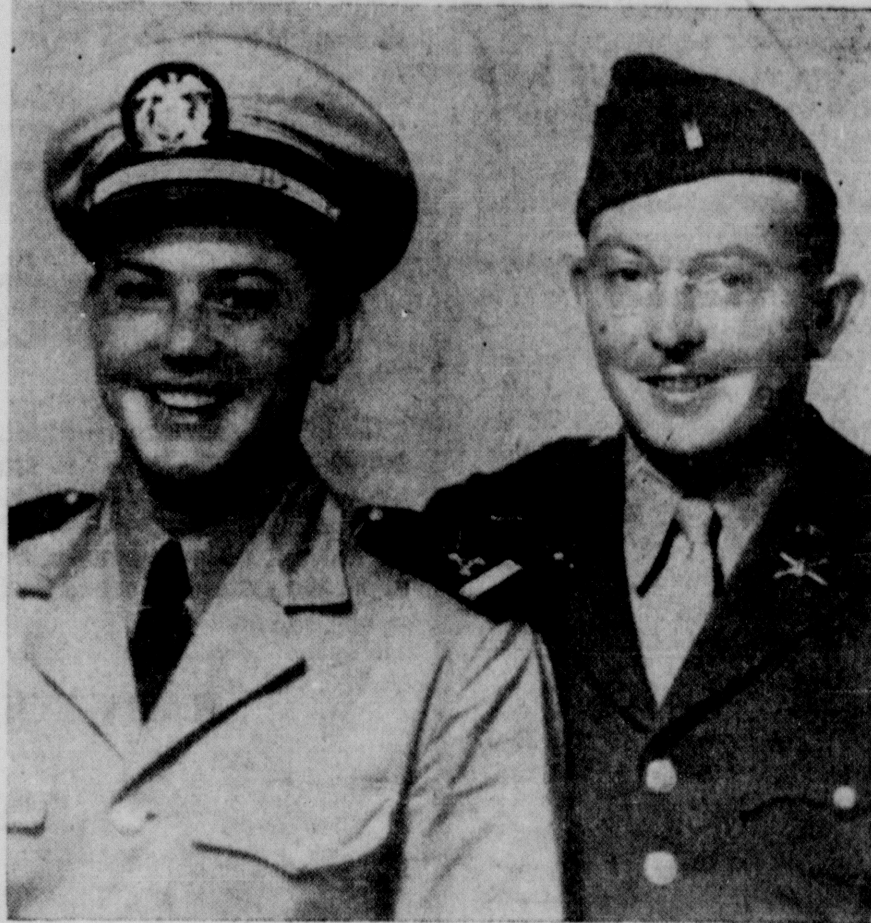

## Thorndale Legion Post Sponsors Memorial Service

A Memorial Service for the men who have died in World War No. 2 will be held Sunday evening, June 4, at Thorndale. The hour is 9:30 p. m.

The Thorndale Legion Post and the Lions Club of Thorndale will sponsor the memorial service. The memorial service will be for men who have died in the service and who are buried overseas.

S/Sgt. Ralph G. Krug of Camp Pickett Virginia, has returned to his base after spending a pleasant furlough in Cameron visiting his family. S/Sgt. Krug was stationed in Camp Swift for some time, but was transferred to Virginia.

## They Serve The Army and The Navy

First Lieut. Allen Horstmann, United States Army, and Lieut. Junior Grade, Neil J. Horstmann, United States Maritime Service

The Army and the Navy each share in the war time service of these brothers, both sons of Mr. and Mrs. August M. Horstmann of Cameron.

First Lt. Allen Horstmann, anti-aircraft artillery, is now in New Guinea in the South Pacific and has been there since December of 1943. He entered the service in 1940, and was trained in North Carolina. Upon completion of his training he was commissioned a Lieutenant and was an instructor in anti-aircraft gunnery. He is a graduate of Yoe High School and attended Southern Methodist University. He married a Texas girl whose home is at Marfa. Lt. Horstmann is 25 years old.

Lt. Junior Grade, Neil J. Horstmann, is in the Maritime Service of the United States and has served in the Pacific area since 1940. He is Second Engineer and second officer in charge of the Engine room. He entered service in 1940 and was first

trained at St. Petersburg, Fla. He started his sea duty for the Standard Oil Company on a oil tanker. His ship went up the sea lanes to Alaska and down to the South Pacific. Lt. Horstmann is 21 years old and a graduate of Yoe High School. His photo recently was used on the cover design of the magazine published by the Marine division of the Standard Oil Company.

Lt. Horstmann says he has been very lucky at sea. On January 1, of 1944, his ship was attacked by a Japanese submarine but the sub was driven away and his ship escaped in the night. He has seen much of the world. Usually his ship carries aviation gasoline. The ships are not escorted, they are just lone wolf trips to the danger zones of the world. Lt. Horstmann thinks it will take longer to whip the Japs than the Germans.

Lt. Horstmann left Cameron on May 17, to return to his ship and the sea.

## MRS. MARY HEITMANN FUNERAL HERE THURSDAY

Mrs. Mary Heitmann, 70, pioneer resident of Milam county, died at the home of her daughter, Mrs. Wallace Underwood, at 11:00 a. m. Wednesday, May 31, 1944, near Gause.

Mrs. Heitmann had been in critical health for a number of years and died from a heart ailment and other illnesses from which she had suffered for a long period of time.

Until two years ago she had made her home at Hoyte where the family moved in 1916 from their old home near Ad Hall. The Heitmann home at Hoyte was destroyed by fire several years ago but Mrs. Heitmann rebuilt a small home and continued to live there until her health became so critical she could not live alone.

Funeral services will be held at St. Monica's church in Cameron at 9:30 a. m. Thursday, June 1, 1944. Rev. George J. Duda, Pastor, will read the Funeral Mass. Interment will be made in the Catholic Cemetery at St. Monica's with the Green Funeral Home directing arrangements. The body will remain at the Green Funeral Home until 9 a. m. Thursday when it will be taken to the church.

## Pfc. Marvin Ethridge Home On Leave; Is In Troop Carrier Com'd

Pfc. Marvin Ethridge, stationed at the Austin base, Air Troop Carrier Command, is home for a few days leave to visit with his wife and family.

Mrs. Ethridge has continued to operate the ice cream business while Pfc. Ethridge is in the army.

The troop carrier command is an important branch of the Army Air Corps and Mr. Ethridge often flies in a plane to points of assignment. Recently he was in a southeastern state and said he had hoped to go overseas but has not as yet received orders.

Transport planes and gliders are the standard air equipment of the air base command to which he is attached.

## For Re-Election

JUDGE JEFF T. KEMP

## JUDGE JEFF T. KEMP RUNS FOR RE-ELECTION

Jeff T. Kemp, County Judge, is a candidate for re-election to that office subject to the Democratic Primary Election to be held on Saturday, July 22, 1944.

When Judge Kemp announced for re-election in 1942 The Herald, commenting upon his distinguished public record said: "As a candidate for re-election, Judge Kemp, in relationship to the service he has rendered as County Judge, occupies a position few men have been able to attain. This distinction results from devotion to public duty which combines with ability to make one of the most impressive records in the history of the county."

This significant expression of appreciation for the service Judge Kemp rendered as County Judge may now be said to represent the attitude of the people as he announces for re-election for another term in this office which demands great administrative ability as well as experience to achieve the maximum of worthwhile service to the people who have come to regard him as the approximation of their ideals in a public

## FOR COUNTY TREASURER VERA FISHER CANDIDATE

Vera Fisher who was a candidate for County Treasurer in 1942 and who was defeated by only a small vote, is a candidate for the nomination subject to the Democratic Primary on Saturday, July 22.

In making her announcement Miss Fisher said she had been asked by so many friends and urged by neighbors, she felt sure her campaign would be a success this year.

Miss Fisher has the care of her aged parents and she needs the job. She must work but cannot leave her aged parents. Hundreds of voters have pledged their support to her who did not support her two years ago. Everywhere her candidacy was evoking favorable comment.

Miss Fisher is very capable and would be able to take care of the duties of the office with no additional expense to the tax payers. Her formal announcement will appear next week.

## HIGH COURT AFFIRMS RIGHT OF WAY CASE

The Court of Civil Appeals at Austin late Wednesday upheld a verdict in favor of H. M. Akers who was awarded \$5,600 for right of way across Little River Bottom for the new bridge.

Milam County took an appeal when a jury here awarded Mr. Akers \$5,600 for land and damage to property. Mr. Akers asked for more but was given the above amount by a local jury.

The case was appealed and the verdict was upheld. Camp & Camp were attorneys for Mr. Akers and Ed. Gunn and E. A. Wallace represented the county.

If the county wishes to appeal from the decision of the Austin court it may do so if the Supreme Court is convinced the appeal court is in error.

## MRS. PEARL W. RING BURIED AT SINTON

Mrs. Pearl W. Ring, 41, former Burlington resident, died Thursday, May 25 at 3 a. m. in a Sinton hospital. She had been ill for a week when she underwent an operation.

Mrs. Ring and her family lived in Burlington until 1920, when they moved to Chollett, and in 1929, they moved to Taft. They made their home in Taft until 1932, and moved to Sinton. Her husband farmed on a large scale.

Funeral services were held at the Grace Lutheran Church, Friday morning, May 26, 1944, at 10:00 o'clock. Interment was in the Sinton Cemetery. Her survivors include her husband, a son, Pvt. Milton Ring, who is somewhere in England, her parents, Mr. and Mrs. Charlie Maas of Burlington, three sisters, Mrs. Arnold Plocek of Burlington, Mrs. M. H. Berne of Rosebud, Mrs. Jerome Busker of Burlington, and one brother Ed Maas of Briary. Relatives from Burlington attended the funeral.

## ROME IS VISIBLE AS INFANTRY ADVANCES

Allied infantrymen besieging Rome got their first glimpse of the Italian capital Thursday as their spearheads drove ahead yard by yard.

The first infantrymen to see Rome had fought their way to within 13 miles of the city.

The Germans were falling back but fighting fiercely. So severe was the fighting that the Allies could make only limited gains.

In Washington Secretary of War, Henry L. Stimson said conditions in Italy are satisfactory. He said the time is at hand for an offensive against the enemy.

Mr. Stimson revealed that since last September through May 27, we have suffered 56,000 casualties in Italy and of this number 9636 have been killed.

Mrs. Leland Green, Jr., and Mrs. M. A. Baggerly transacted business at Ad Hall Friday.

Mr. and Mrs. Claude McCall of Waco spent Sunday in the home of Mrs. Stella McCall of Cameron.

## In New Guinea

PVT. EMIL F. KLEIBER

No one knows better than Pvt. Emil F. Kleiber how tough was the fighting in New Guinea for he has been in that area of the South Pacific for several months.

Pvt. Kleiber entered the army in October of 1943 and was stationed at Mineral Wells and from that point was transferred to Fort Leonard Wood, Mo., where he received his basic training.

Before being transferred to the war front in the Pacific he was given advanced training at Camp Beal, Calif.

Pvt. Kleiber is the son of Mr. and Mrs. Frank Kleiber of Cameron. Before entering the service he was employed by the North American Aviation Corporation of Dallas.

## J. D. YOUNG IS BURIED IN CORSICANA TUESDAY

Funeral services for John Dee William Young, 69, father of Dick Young, Yoe High Athletic coach, were held from the Sutherland McCammon Funeral Home in Corsicana, at 2 p. m. Tuesday, May 29, 1944. Interment was made in the Hamilton Cemetery near Corsicana with Rev. John Mills, pastor of the Little River Baptist Church, officiating.

Mr. Young died at his home at Jones Prairie on May 28, 1944 at 2:20 p. m. Surviving are his widow, and two children, J. R. Young of Cameron and Mrs. H. S. Groves of Dallas. Two brothers, Warren Young of Richland and J. T. Young of Wichita Falls, survive with one sister Mrs. Barney Jones of Corsicana.

Mr. and Mrs. Young moved from their home in Corsicana several years ago to be near their son, J. K. Young here, who is athletic coach at Yoe High School. Mr. Young had been ill for some time. The body was at the Marek-Burns Funeral Home in Cameron until 10 a. m. Tuesday morning.

## Penicillin, The New Drug, Discussed at Rotary by Dr. Swift

Cameron Rotarians and guests Wednesday were given one of the most interesting programs of the year with Dr. Clifford Swift, discussing Penicillin, the new wonder drug.

Dr. Swift had a bottle of Penicillin with him. The bottle was less than one ounce size and the Penicillin was only a few grains in the bottom of the bottle, resembling yellow sand. The cost of this amount is now \$8.

Dr. Swift said that Penicillin, like all other drugs, has been released as its curative properties were proven and gives promise of accomplishing much.

Dr. Swift gave the Rotarians a demonstration of how blood plasma is used on the battle field. The plasma, minus the blood cells, resembles yellow sugar. It is mixed with water and can be given regardless of blood type.

## Roger Lee Gohman Writes Judge Kemp From Burma Front

Here is a letter just received by Judge Jeff T. Kemp from Roger Lee Gohman, now with the army in Burma. It is the first letter which has come to the attention of The Herald from that area of the global war.

Roger Lee Gohman is the son of Henry Gohman of Rockdale, but was born in Cameron. His grand father, Chas. Gohman was a pioneer resident of Cameron.

## "King" Stock Dog Gets Good Home

"King," stock dog who was taken to the Gerick farm at Ad Hall two weeks ago has found a good home. He is now at the farm home of John Kaminicky and he is very proud to have "King."

Louis Gerick took the dog to his father's farm rather than see him killed and now he has a good home and is doing a fine job with the stock.

Some 30 applicants were after the dog, said Louis Gerick, Thursday. A number of applications came in by mail to The Herald and some applied in person, many others going to the Gerick farm.

Mr. and Mrs. Buddy Fuller and daughter, Constance Grubbs, visited in Dallas Sunday evening.

## Sgt. Ervin J. Hollas Commended for Duty Well Performed

Flying on bombing missions against strongly-defended Jap bases isn't part of an air force flight chief's job, but Tech Sgt. Ervin J. Hollas of Cameron, takes that additional risk frequently.

Hollas, who directs four ground crews at a 13th AAF B-25 bomber squadron, accompanies the airmen to learn how his reports stand up under fire.

For taking part in these missions

"beyond his required duties" he has been commended by First Lt. Homer H. Noar, the squadron's engineering officer. As a result of his flights, Hollas has developed several short cuts and improvements in repairing the bombers.

Sgt. Hollas' squadron is taking an active part in the 13th AAF's current air offensive against Rabaul, main Jap stronghold in the South Pacific.

The son of Mr. and Mrs. Joe F. Hollas of Buckholts, he attended the C. H. Yoe High School in Cameron and entered the AAF in October, 1940. He has been overseas since March,

1943. His technical training was received at the AAF school in the Missouri Aviation Institute, Kansas City. Sgt. Hollas was a farmer in civilian life.

Kirk Alyn has the role of Tom Hartley and Rne Jeffereys portrays the leading lady, daughter of a partner in the Hartley enterprises.

George "Gabby" Hayes provides comedy, and others listed in the cast are Weldon Hayburn, Alice Fleming, Nancy Gay, Roy Barcroft, Bud Geary, Tom London, Jack Kirk, Kenne Duncan.

Back the attack with Bonds!

## Likes England

T/SGT. CARL N. FIKES

T/Sgt. Carl N. Fikes, now in England, writes home that he likes the British Isles but would like to see Texas and home again.

Sgt. Fikes, known in his high school days as "Chili Fikes," is a former Yoe High School football star. He entered the army on December 26, 1942. He took his basic training at Fort Bolvoir, Va., as an Engineer. He was later sent to Signal Training School at Camp Crowder, Mo., and there he finished a 12 weeks course in nine weeks with honors. After going on maneuvers in Oregon he went to Camp Cook, Calif., and while there he passed his examinations and was promoted from Private First Class to Technical Sergeant.

At Camp Cook he was instructed in Signal Repairs. He left Camp Cook in April and sailed from an Eastern port for England.

Prior to his induction in the army he was employed by the Houston Lighting and Power Company. His parents, Mr. and Mrs. J. D. Fikes, reside in Cameron. His wife, the former Miss Vivian Belt makes her home with her parents at Milano.

## Churchill Follows Pattern of 1918; Is Growing Soft

Prime Minister Winston Churchill of Great Britain said Thursday he finds it difficult to nourish animosity against the Italian people.

What's to keep him from saying a little later on he finds it difficult to nourish animosity against the German people and the Japs, provided of course the leaders of their countries "abdicat" and open an opportunity for negotiation where the black coats and the pin stripes can get together and moralize?

Any policy of dealing with Fascist peoples aside from that of bringing home to them the brutalities they visited upon other peoples will fall short of the ideals for which our boys have died in this war. There are now 50 thousand Italian war prisoners in this country. In Washington they are talking about arming them and putting them in the American army or sending them back to Italy armed.

Every Italian prisoner of war here is a Fascist who was screaming "el duce" and marching on Albania and Ethiopia before Hitler attacked Poland.

The Axis plans are now apparent. When the Allies grow tired of fighting and the people lapse into a coma of fat and luxury, it will be time to talk peace—on substantially Axis terms, of course.

Mrs. Make McDermott and baby are here on a visit with her sister, Mrs. W. A. Offson, the former Miss Elaine Thomas.

Marshall Terry of Yarellton was a business visitor in Cameron Thursday.

Mrs. Clarence Mayfield of Buckholts was a Cameron guest Thursday.

## ALLIES PRESS NAZI BACK BEFORE ROME

The Allies were increasing their attacks on the Italian front below Rome and were pushing the Germans back in all sectors.

Already the two weeks old campaign had netted 12 thousand German prisoners.

After seven months the beach head siege has been lifted. At the rate the armies have been going in the past two weeks the war might conceivably end in three years inside Europe. If no more progress can be made than during the past 7 months since the Anzio invasion, the war should be as protracted as the Axis leaders say—a century.

Small events are being magnified out of all proportion to the job to be done. This is a war of lush adjectives. Radio commentators, usually selling everything from shoe polish to television, give the horrible details hour by hour, but on the whole we made only a few yards through the line.

## River at 28 Feet Is Coming Out Says a 3:20 P. M. Report

Additional rain reports received around 4 p. m. gave a different picture. Lampassas in the past 2 days received 4.87 inches of rain while Temple had 1.59; Taylor 1.02.

Copperas Cove which is on the watershed of Little River had 4.32 inches of rain within the past 48 hours. Cameron has had 1.56 in the past four days.

The rain at Lampassas was described as flash flood and may not indicate flood conditions but the Copperas Cove rains are of overflow proportions.

At Little River in Bell county Little River had spread over the bottoms and highway leading to Bartlett.

Little river was at 28 feet and rising rapidly at 3:20 p. m. Friday said a report from Richard Hester, local observer.

The stream was leaving its banks in the bottoms east of the city and it was probable that the bottom may be well covered by morning.

No serious flood stage was anticipated here, unless more rain falls on the watershed.

## Thrill in Store For All Lovers Of Western Drama

Admirers of western drama have a thrill in store for them when Republic's latest Wild Bill Elliott star, "Overland Mail Robbery," opens Friday and Saturday-jnnishrdluup Friday, June 2 at the Milam Theatre for a two day engagement.

Wild Bill Elliott portrays an intrepid Texas Ranger who, when he learns his friends, the Hartley Family, are in trouble, rides to their rescue.

Young Bostonian Tom Hartley, arriving on a routine errand to deliver a sum of money to bolster up the finances of his father's stage-coach line, learns to his horror that both his father and brother have been killed, and the stage line is being systematically robbed by a rival line. When he is himself involved in a hold-up in which a man is killed, Tom can't take it, and prepares to return to Boston, penniless and beaten.

Wild Bill, however, instills in him the fighting spirit necessary to effectively cope with the lawless element, and until he learns to use his fists, Bill masquerades as Tom and lays elaborate plans to bring the culprits to justice.

## 120 LOCKERS BOUGHT UP TO NOON FRIDAY

Up to noon Friday 120 lockers had been purchased, it was reported shortly after 1:45 p. m. by J. M. Boehner, President of the Chamber of Commerce.

Over at the Chamber of Commerce offices, Miss Sue Kirk, secretary, said a report was being compiled and would be ready later in the afternoon. L. Van Perkins, manager of the Chamber of Commerce, was receiving applications rapidly.

Mr. Boehner said that all applicants would qualify as producers. It was significant that the farms had not been heard from in any great numbers, although ten applications had come in from Joe Moore at Gause.

Farmers were expected to make applications here Saturday. The immediate job is to sell 300 lockers. Quick sale will enable priorities to be obtained soon and the plant construction which is to cost about \$50,000 will get under way this fall. Kerrville and San Antonio capital was said interested in the locker storage plant.

Miss Sydonia Stanislaw of Galveston spent several days at the home of her parents, Mr. and Mrs. Frank Stanislaw. Miss Stanislaw is returning to Galveston today, and will resign her Civil Service position at Camp Wallace where she has been employed since March 1941. After a few days in Galveston she will go to New York City where she will enter Columbia University.

Pfc. John T. Josey, who is stationed at Camp Callan, Calif., is here on a visit with his wife and two children. The wife and children, and Mrs. F. E. Jackson, Jr., and baby Marie, were midday guests for a delightful luncheon Wednesday at the home of Mr. & Mrs. F. G. Blake, when she and her daughter in law, Mrs. F. G. Blake, were joint hostesses, honoring Pfc. Josey. He is a brother of Mrs. F. E. Jackson, Jr.

## MANY SIGNING UP FOR LOCKER SPACE

No accurate check can be made on the number of lockers reserved to Saturday, May 27th, but it appears that more than half of the required number of signers will be in by the close of the day. Farmers have been signing the pledge cards at the Chamber of Commerce, Citizens National Bank, First National Bank, C. Penney Co., Safeway and Dusek's Pharmacy at a rapid rate all day.

Persons will have to make their reservations if they desire a locker, first signers will have the assurance of locker space in the most modern and up-to-date locker plant that can be built.

Get your reservations in now. Reports are now coming in from outlying districts of the county, indicating much interest in the construction of this much needed plant.

## CHRISTIAN SCIENCE SERVICES

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 4th.

The Golden Text is: "He is the former of all things, and Israel is the rod of his inheritance: The Lord of hosts is his name" (Jeremiah 10:16.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O Lord how manifold are thy works! in wisdom hast thou made them all: the earth is full of thy riches" (Psalms 104:24.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Mind is the only cause of Principle of existence. Cause does not exist in matter, in mortal mind, or in physical forms" (page 262.)

Mr. and Mrs. J. B. White were in Georgetown Sunday afternoon to see Joe Bill White who is a student in Naval School there. The naval students will get a 14 day vacation in June and all are looking forward to returned home. White spent two years in the Pacific south of the Equator in combat before he was transferred to officer candidate school.

Misses Irene Stanislaw from San Antonio, Evelyn of Dallas and Sydonia from Galveston spent the week end visiting their parents, Mr. and Mrs. Frank Stanislaw at Marak.

Wilma Jean Hughes of Stillwell, Okla., arrived in Cameron Wednesday for a short visit with her parents, Mr. and Mrs. G. B. Hughes.

Frances Gerick of San Antonio is visiting in the home of her parents, Mr. and Mrs. Joe Gerick, Sr., of Ad Hall.

## \$16 In Cash Prizes For Best Suggestions On City Planning

The Daily Herald will award 3 cash prizes for the best outline of a plan for improvements in the City of Cameron.

The prizes will be as follows: First prize \$5, second prize \$3 and third prize \$2.

Write your suggestions down and bring or mail them to the Midget. As a citizen you are interested in progress in Cameron. To stimulate interest in the work of the Cameron Planning Board the Herald is offering these prizes. All our people are eligible.

Confine your suggestions to not more than 500 words. Say what you think the city should build and make suggestions which you think will be helpful in making public improvements now so badly needed in Cameron.

These prizes are offered by the Herald alone and are to reward those who wish to give the city government and the Planning Board their suggestions. The purpose is to stimulate interest and to encourage the people at large to take an interest and have a share in the plans for the future.

All papers submitted will remain the property of the Herald and may be published, if desired and all will be submitted to the Planning Board.

(continued from page one)

your most welcome letter just a few minutes ago. Mail, over here, is something that a man always looks forward to and hopes to God he may not be disappointed.

"I am fine and hope you are the same. The dreaded monsoons have already started and everything is very muddy. Supplies are hard to get and sometime have to be dropped by air. There are places in the woods that are impassable sometimes, only a caterpillar can make it through. There are places in the woods that the mud and water comes up over your headlights and even right on inside the car. A civilian car couldn't go two feet over here. Ignoring all of these hardships, we have been doing a good job and really trying to get things over with.

"I am sure you folks would and are doing your part to win this war. I was very pleased to know you and Mrs. Kemp try to entertain the soldiers there. I know how to appreciate entertainment like that, as I have been all over the States and places where I knew no one and someone would ask us out—we really enjoyed that.

"It has been a long time since I have seen civilization—even a woman. I haven't seen anything in India either that was worthwhile. I have been in Bombay, Madras and Calcutta. I imagine you know about where I am now, so you can imagine what this country is like. There is nothing here but hills and valleys and jungles. We live in tents and sleep in cots and use mosquito bars as malaria is very common. We wash our faces and hands in our helmets and go to the nearest stream or creek to take a bath and wash out clothes.

## "Broadway Rythm" Sparkles With Gaiety, Music, Top Performers

Gaiety and tenderness, merry songs and sentimental ones, dances, sparkling specialty acts, plus an inspired use of Technicolor, PLUS A GOOD STORY—that's Mero-Goldwyn-May-er's latest Technicolor hit, "Broadway Rythm."

The film, which starts its engagement at the Cameron Theatre June 4 and 5 stars a new romantic team. "Broadway Rythm" has a brilliant cast headed by George Murphy, an oft-proved screen favorite, and Ginny Simms, lovely lady of the air-waves, who makes her debut under M-G-M banner in the exciting role of a Hollywood movie star.

Add to that sure-fire pair of entertainers, Tommy Dorsey and his music, Charles Winninger, Lena Horne, Hazel Scott, Eddie "Rochester" Anderson, Gloria De Haven, Kenny Bowers, Ben Blue and Nancy Walker.

Add six sensational newcomers from the New York stage—the Ross sisters, three breath-taking young

acrobats; Walter Long, tap dances nonpareil; Jane Hale, golden-haired dancer who is George Murphy's partner in a fast stepping interlude, and Dean Murphy, the White House's favorite mimic, who presents a series of the laugh-provoking impersonations that made him famous.

Climaxing the film is a spectacularly imaginative presentation utilizing almost the entire talent-studded cast dancing and singing, "Who's Who in Your Love Life?" another new song by tunesmiths Raye and De-Paul.

## Have a Coca-Cola = Let's be friendly

...a way to win a welcome wherever you go

Where you find democracy, you find the feeling of friendliness, of give-and-take—the spirit of neighborliness. It's made up of little things that mark a way of life: sports, fair play, movies, comics and swing music. A simple phrase like Have a "Coke" turns strangers into friends, the same in both hemispheres. Around the globe, Coca-Cola stands for the pause that refreshes,—has become the high-sign of the good-hearted.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

constitutes a very serious form of misleading, which would result in a lot of lost motion on the part of the public, loss to the individual or firm advertising.

The News has been criticized at times because a distinction is not drawn in the classification of many want ads between the wants of whites and negroes. Negroes can advertise in any or all of the various classifications. This is not the case with many papers, The News is informed. There is one classification: "For Rent to Colored," which has been used for years by whites advertising servant quarters for rent.

The order establishing the President's Committee on Fair Employ-

ment Practice is a wartime executive order of the President, not backed by any legislation. Its purpose ostensibly is to make full use of manpower. Its letters in the forms of requests have gone to firms with war contracts or engaged in other essential businesses.

The Dallas Better Business Bureau Bulletin of last March 27 carried the contents of a letter received by a Dallas firm from Brin concerning advertising that Brin said is discriminatory. The Bulletin article was headed "Dallas Advertisers for Essential Industry Must Eliminate Color Discrimination—Says Committee!"

The laws of Texas as approved by the Supreme Courts of Texas and of the United States permit and require segregation of white and negro races as applied to many activities, legal authorities have informed the News. It is their belief that any executive order ought to be applied in the light of State segregation laws and embedded social practices.

In addition to these legal requirements of segregation, a practice of segregation exists in the Southern States that is of long standing and is widely approved by negroes and whites alike as aiding in satisfactory relations between the two races. Because of that practice, which is a part of the social structure, employers want whites for some jobs and negroes for others. Whites choose to work in some jobs and not in others, and negroes likewise. An advertisement which ignores that difference is considered confusing and misleading.

The want ad to which the President's Committee on Fair Employ-

ment Practice objected was run in The News by The News management a second time on May 10. A negro man was employed on that day, causing the ad to be discontinued.—From The Dallas Morning News.

## RAYMOND

(continued from page one)

ward Texas the new frontier about which they had heard fabulous tales and so Texas profited when such men came into her borders. Mr. Raymond came to Cameron shortly after he arrived in Texas.

When he arrived in Texas he settled in the Maysfield community. Not far away was the settlement known as Crossroads. It was here he met Miss Emma Cross, daughter of a pioneer family and they were married at Maysfield and lived there for a few years when they came to Cameron. Mrs. Raymond died in 1934. Both were Catholics and were members of St. Monica's Church in Cameron.

When news came of the death of Mr. Raymond many were sincerely grief stricken for they had known him and appreciated his citizenship and character. They will revere his memory and remember him for the contribution he made to the community in which he lived and the estimable family which he reared.

Funeral services were held at St. Monica's church at 4 p. m. Sunday, May 28, 1944, with Rev. George J. Duda, Pastor reading the Mass. Interment was made in St. Monica's Cemetery with the Green Funeral Home directing arrangements.

Pall bearers were: W. H. Stafford, Dan Tyson, Alvin Mondrik, L. H. Raska, John Bryan and Joe Richter.

## JUDGE KEMP

(continued from page one)

It is significant also to note from a previously published estimate of his worth that "his continued re-election to this office is evidence that the people have an abiding appreciation for his record and his integrity. His broad, human sympathy and understanding, and his extraordinary grasp of good government have cast him in the role of leadership in which the people have decreed their estimate of the man and of his work as a public official."

During the past few years and especially under war conditions the office of County Judge has become the center of many activities not entirely related to official duties. In performing these extra duties Judge Kemp has been as mindful of his obligations to the people as in his approach to duties defined as official. At a time when every man, especially those who have understanding ability, is called upon to serve, Judge Kemp receives the praise and commendation of all the people because they appreciate the unselfish devotion with which he performs the day by day duties of the big job he holds.

Judge Kemp is not unmindful, but on the other hand, deeply conscious of his obligations to the people, for their kindness and support and expressed his thanks to the many who have signified their approval of his announcement for re-election to the office.

Judge Kemp in commanding as large a share of public confidence has been able to inspire co-operation and by reason of this fact has been able to serve with distinction at home and with equal importance in the state at large where contacts and wide acquaintance are necessarily a part of the position which he holds.

It is significant that despite the fact that conditions have weighed heavily against greater economies and despite the participation of the county in all worthy public enterprises brought on by the demand of the times, tax payers have not been called upon to pay any additional burdens. On the contrary their tax bills have been lessened. These economies spring from good administrative ability in the Commissioners' Court of which Judge Kemp is the presiding officer. In this regard Judge Kemp is most decisive in his praise of the court for its share in the administration of the county government and its co-operation for the common welfare of all the people.

Judge Kemp's long expressed interest in the progress of the people is notably to be appreciated in his advocacy of Home Demonstration work. He has witnessed in the past few years the rapid growth of Clubs among the people on the farms, especially among the boys and girls who are to be the leaders of tomorrow in their communities. As a member of the Legislative Committee of the County Judges and Commissioners Association of Texas, Judge Kemp help secure passage of the Bond Assumption bill which materially lowered taxes in Milam county in the various road districts; he also has never withheld his support of every measure designed to lower government costs and his policy is one of constant belief that efficiency can

bring satisfactory results in government.

Friends say with pride that Judge Kemp not only combines the best in equipment for service as judge in regard to the economical phases of the office, but in matters of litigation, the hundreds of cases that annually come before his court, he has shown great aptitude, wide knowledge of the law and an equanimity of justice that enables him to render decisions to insure fairness to all and to achieve the maximum of vindication for the law and society.

War times place unusual restrictions on campaigning. Judge Kemp hopes to see each voter. If this be not possible this announcement will be his personal appeal for your vote and support. Judge Kemp is greatly appreciative of the co-operation of the people for it is through their confidence in his work and their help he is able to achieve so much in public service.

## MRS. HEITMANN

(continued from page one)

Austria. Her maiden name was Mary Gerick and she came to America with her parents when she was only about 8 months old. The Gerick family settled at Ad Hall and the homestead there has been in existence almost 70 years. A brother, Joe Gerick, lives at Ad Hall.

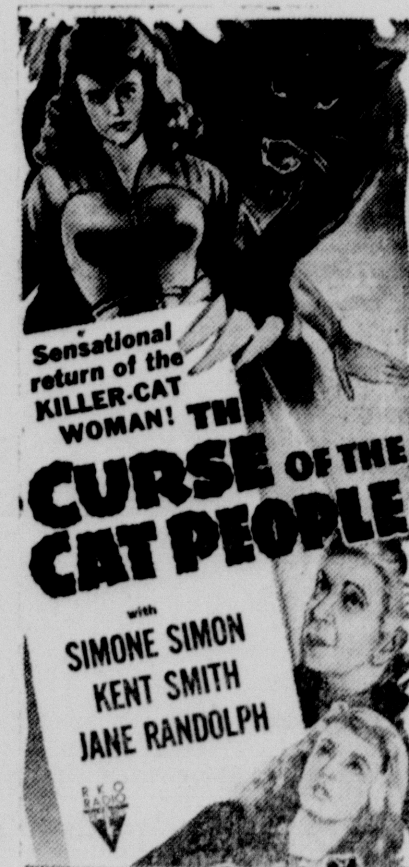

She was married to John L. Heitmann in Cameron by the late Father Bienemann, pioneer pastor of St. Monica's church. Her late husband who died in 1928 was a native of Ohio. The family moved to the Hoyte community in 1916.

The Heitmann family for almost 3 quarters of a century has been prominent in this county. The death of Mrs. Heitmann removes from the ever lessening role of the pioneers a name which will be remembered for its association with the early progress of the county. There are only four survivors of the Gerick family and they are three sisters and one brother as follows: Mrs. Annie Hanke of Coleman; Mrs. Louis Morbitzer of Wichita Falls; Mrs. Agnes Horlica of San Antonio and Joe Gerick of Ad Hall.

Mrs. Heitmann mothered a family of 13 children. A son, Louis Heitmann died in 1924 and one daughter, Annie Heitmann died about 38 years ago. Surviving children are: George Heitmann of Houston; Frank B. Heitmann of Cameron, widely known citizen; Henry Heitmann of Houston; Joe Heitmann, engaged in the oil business in Venezuela, South America; W. G. Heitmann, Cameron business man; Leo Heitmann, Cameron; Ben Heitmann of Houston; Ed Heitmann of Ohio; Mrs. Jesse Doss of Cameron; Mrs. Ruth Randall of California, and who was the first student nurse to enroll at Cameron Hospital when it was established by the late Dr. W. R. Newton; and Mrs. A. Allison of Buckholts.

Joe Heitmann of Venezuela, Mrs. Randall and Ed Heitmann of Ohio, will not be able to attend the funeral.

## In New Caledonia

**HOMER PEEL**  
Chief Specialist, Athletic Director

Homer Peel, sensational outfield star of the old Cameron Comet baseball team in the 1920's and later top flight diamond figure in both the Texas and National League, is now in New Caledonia.

Peel's rank is Chief Specialist, Athletic Director and he has had the pleasure of meeting and talking with Admiral Halsey.

A graduate of Yoe High School, Peel played on the Yoemen team. Later when Wm. R. Rogers led the best semi-pro clob in Texas he gave Peel his start on a professional career in baseball. After a time in the East Texas League, Peel was signed by the Houston club which was owned by the St. Louis Cardinals. An all time high batting average was hung by Peel in his Texas league days and he went to the big show with the St. Louis Cardinals and early that fall took part in his first World Series game.

Peel played with three major league clubs in the national show. They were the St. Louis Cardinals, Boston Red Sox and the New York Giants. With Joe Moore of Gause the Cameron star had a lion's share in two season pennants and took part in two world series games while Peel was on the Giant club.

Peel managed the Fort Worth Cats in the Texas League after he left the big show and also the Shreveport Pelicans.

Peel volunteered for the navy in December 1942 and received his training at Norfolk, Va., where he managed the Naval Station baseball team. When he went overseas he landed in New Caledonia.

He was born and reared at Port Sullivan and the son of Mr. and Mrs. J. Archie Peel of Ennis.

Phillip Reimer of Elm Ridge was a Cameron visitor Monday.

## ALLIES IN 18 MILES OF ROME MONDAY

At least eight badly mauled divisions faced the threat of early encirclement today as Allied forces in Italy thrust to within two and a half miles of the Via Casilina, the only practicable escape route for the Germans, and placed that road to Rome under heavy artillery fire.

Capture of Ardena, Ceprano and Belmonte by the onrushing Allied armies made the German position very difficult.

Another advancing Fifth army force stood at Velletri, 18 miles south-east of Rome; and third, smashing up the coast from Anzio beachhead weakened opposition, was possibly as close.

The Germans, fighting bitterly to keep the Via Casilina open, rushed the tired Hermann Goering division down from Florence and pulled in additional support from the east.

Ardena, two and a half miles from Valmontone, 21 miles below Rome and astride the escape route, fell Saturday after an American tank spearhead broke into the town's defenses. American infantry had fought on past it last night against heavy artillery fire.

The Allied forces moving up almost all the way across the Italian front battered into the outskirts of Velletri, 18 miles below Rome; Ceprano, Liri valley stronghold southwest of Velletri and near the western end of the Allied line, was entered by other forces. Belmonte, north of Cassino on the Allies' right wing, also fell.

## ENGINEERS COMING TO SELECT PLANT SITE

Reports from over the county indicate that the required number of lockers to assure the building of the locker plant will be reached within the next day or two.

Many people living in Cameron, who are eligible as producers, should make their reservations now to make sure that they will have a locker when the plant is finished. Many of our citizens are going to find that all the lockers have been reserved and they will be without this service.

The engineers will be in Cameron Tuesday to select the site for the plant and begin preliminary work on construction plans.

Miss Jerry Baker returned home Monday from Newton Memorial Hospital, where she has been recovering from injuries received in an automobile accident Friday night.

## Personal Mention

A son, David Carrol weighing 7 1-2 pounds was born to Mr. and Mrs. C. W. Hudson Sunday morning, May 28, 1944, in the Cameron Hospital. Mr. and Mrs. Hudson have another son, Ronald, age 11 years.

Miss Dorothy Porter, county home demonstration agent, and Miss Lucille Cook, attended the District Meeting No. 8 in Marlin Wednesday of this week. Plans were made for a two day 4-H club meeting to be held at Buchanan dam sometime during the month of June.

Mrs. Will Ledbetter who has been visiting Mrs. Tom Denson for the past two weeks, left for her home Saturday, going by way of Dallas to visit with relatives before reaching her home in Arizona where she makes her home with her aged mother, over 90 years old, who lives on her farm and ranch. Mrs. Ledbetter formerly lived in Cameron many years ago and has many friends here.

## FIERCE BATTLES IN ITALY CHECK ALLIES

Fierce Battles—Wednesday had halted Allied advances on some of the fronts but on the whole the weight of Allied arms was achieving victory in Italy over the Germans.

A noon report Wednesday said that the Allies were encountering savage resistance all along the front. The Germans seemed determined to defend their lines near Rome and to yield ground only under the most severe circumstances.

In the cities the Allies and the Germans were engaging in hand to hand fighting.

The Allies were in 6 miles of the Pope's summer home south of Rome. The British 8th Army formerly commanded by General Montgomery was chasing the Nazi who were fleeing from entrapment.

A communication said that 4 thousand Germans had been killed or captured in the past two days.

The situation in China was very grave said a report Wednesday.

The second front was even more obscure. Even the events in Italy were being magnified out of all proportion to their military importance. The great battles of this war are yet to be fought.

Mr. and Mrs. W. E. Gaither and daughter, Mrs. Weldon Preston Hogan, Dr. and Mrs. James Watson, will attend the marriage of William Bowman Long, son of Mr. and Mrs. R. J. Long of Waco, formerly of Cameron, Saturday evening, June 3rd, at the Cliff Temple Baptist church in Dallas, at 8:30 o'clock, to Miss Mary Cole Farrow, daughter of Mr. and Mrs. E. E. Farrow of Dallas. The bridegroom formerly lived in Cameron with his parents before they moved from here to Waco. Mrs. Long is a sister of Mrs. Gaither and Mrs. James Watson. Following the ceremony there will be a reception at the home of the bride's parents. The bride-elect has recently graduated from Baylor University, and was tendered a reception following the graduation date, by Mr. and Mrs. Ben Burroughs at their home 2700 Colcord Ave., Waco. Many friends of the bridegroom here will be pleased to hear of his newly attained happiness.

## Laurel and Hardy Tops With Boys in Service

With wartime shortage of a thousand-and-one things, Stan Laurel and Oliver Hardy, currently starred in 20th Century-Fox's laugh riot, "The Dancing Masters," opens Saturday at the Cameron Theatre, are still finding themselves on the heavy receiving end of one particular item they've always cherished.

Before the war, the famous comedy team could boast of receiving the greatest amount of foreign fan mail in Hollywood. Now, strangely enough, their foreign mail has increased even more.

For many years Laurel and Hardy comedies have been among the most popular films in the foreign market. Their pictures grossed far more than some of the epics that broke attendance records in the United States.

Nearly every country in South America and Europe had Laurel and Hardy fan clubs whose membership ran into the hundreds of thousands. A Laurel and Hardy membership button was a common sight gracing the tattered jacket of an urchin in Greece or a gamin in Paris.

Today, these fans can no longer

post their thousands of appreciative letters to their favorite comedians. But the boys' fan mail has been more than supplanted by our American soldiers overseas. These soldiers shivering in the bitter cold of Alaska or the Aleutians, or sweltering in the heat of Central Africa, indicate that they want to be entertained by the type of light, spirit-lifting comedy Laurel and Hardy offer. Most of the letters received from soldiers ask for more Laurel and Hardy movies, claiming their fast buffoonery plus their high hilarity alleviates the feeling of being away from home.

In accordance with its regular practice, 20th Century-Fox has already sent prints of Stan's and Oliver's new hit, "The Dancing Masters" to hundreds of service camps.

Miss Anna Marie Gurecky employee of North American Aviation Inc., of Dallas spent a month's leave with her family and friends. Miss Gurecky is classified on the final assembly line as a Radio and electrical installer on the B-24's and AT-6's. After a very pleasant visit she returned to her duties Wednesday.

## MRS. EVA TEMPLIN IS BURIED HERE THURSDAY

Mrs. Eva Lois Templin age 33, died Wednesday at 3:00 p. m. at the home of her parents, Mr. and Mrs. G. W. Simmons in north Cameron.

Mrs. Templin was born on June 11, 1909, near Cameron and was a member of the Baptist Church. She had been in ill health for several years and had been confined to her bed.

## Making HITLER and HIROHITO HOLLER

Are Americans taking the war seriously? You bet they are! Here's a man who used to work behind a desk, a man who had a real future ahead of him, a man of intelligence, who knew that future meant nothing unless and until the threat of Nazi and Nipponese conquest was ban-

ished forevermore. He is a munitions maker now... turning out cartridge cases, or filling them with powder that'll blast its way into Axis lines, cities and factories, and make Hitler and Hirohito holler that they've got enough! More power to him and the other millions who have devoted themselves to an all-out Victory!
